

BADMINTON ONTARIO

Anti-Doping Policy (March 2018)

Overarching Statement

Anti-doping programs seek to preserve what is intrinsically valuable about sport. This intrinsic value is often referred to as the “the spirit of sport” and in badminton incorporates the pursuit of excellence through the dedicated efforts of each individual following the Badminton World Federation’s (BWF) “*I am Badminton*” integrity program. Doping is fundamentally contrary to the spirit of sport and the values of badminton. Badminton Ontario is fully supportive of both the Canadian Anti-Doping Program (CADP) and the BWF’s commitment to anti-doping, providing an environment of fair play and transparency.
